

Prophecy #5 Dan 11:2-12:2

This prophecy flows in chronological order.

The first half of this prophecy predicted that during the 70 weeks, Israel would be caught between warring kings in the North and South. If Israel failed to meet the terms and conditions of the covenant, Israel would be destroyed by a king from the North. This was fulfilled in A.D. 70 when the Romans destroyed both the temple and the city of Jerusalem.
